

BY ROAD FROM THE WEST (BRISTOL, WALES, CARDIFF & BRISTOL AIRPORTS)

This will bring you along the M4. Following the usual route signs into Bath from the M4 may cause you delays as the traffic can be heavy and the one way system sometimes frustrating. We have therefore put together a special route (usually used by Bathonians) from the M4.

From Junction 18 follow the A46 towards Bath for approximately 2.5miles. You will pass The Crown Inn on your left and then the beautiful Dyrham Park and the Tollgate Teashop on your right.

Immediately after the Tollgate Teashop, take a right turn (there are no directional signs). Continue along the twisty road for approximately 1.5miles until you arrive at a T-junction.

At the T-junction turn right (signposted Bristol A420), then immediately left to Hamswell. Follow the twisty road past Toghill Farm on your right, down the hill and up another hill to a T-junction (approx. 1.5miles). At the T-junction turn left up the hill, following the signs to Lansdown and Bath.

Continue along this road for the next couple of miles; you will drive along passing Lansdown Gold Club and Bath Racecourse on the right. Continue past The Blathwayt Arms pub on the right and then on to the city outskirts.

As you enter the city you will pass the Hare and Hounds pub on the left. The road continues downhill until you reach another T-junction with a church to the left.

Turn right at the T-junction and then drive down the hill, passing The Farmhouse Inn on the left and on the right The Grappa bar near the corner of Julian Road. Continue past Julian Road on your right. Take the right turn into Bennett Street (street name carved into the stone at first floor level). Past Russell Street and Circus Mews on your right.

Drive into The Circus (Georgian houses built in a circle). The Circus Dental Practice is at number 13.
